

Title 1		Summary not appearing on mobile screen		
Pre-conditions:				
	1	User must be log in on Cashify - https://kapusta-qa-ro.p.goit.global/		
				Severity:
Step to reproduce				medium
	1	Open the website on a mobile device.		Priority:
	2	Log in with valid credentials.		medium
				Environment::
Actual result: Summary not appearing on mobile screen on portrait mode				staging
Expected result: Summary should be on mobile screen on portrait mode				
Description: The summary section fails to load and display on mobile devices, making it impossible for users to view their transaction summary on smaller screens.				
Title 2		Transaction data not displayed in summary		
Pre-conditions:				
	1	Log in with valid credentials.		
				Severity:
Step to reproduce				high
	1	Log in with valid credentials.		Priority:
	2	Observe the summary section.		hight
	3			Environment::
Actual result: The summary section is visible, but no transaction data is shown.				staging
Expected result: The summary section displays all transaction data for each month.				
The summary section is visible, but the data for all transactions (incomes and expenses) from the beginning of the year to the current month is not displayed.
